TYLER FLETCHER

FRONT-END DEVELOPER | TYLERJFLETCHER.COM

OBJECTIVE

With a strong technical skill-set, attention to detail, and 4+ years of experience, I want to work as a front-end web developer where I could create digital magic and elevate user experience to the next level.

SKILLS

- HTML/CSS/JAVASCRIPT Experience
- SASS/LESS Experience
- Responsive Design Experience
- AngularJS Experience
- Node.js Experience
- Photoshop Familiarity
- Version Control Experience
- Adaptive Behavior
- Communication Skills

EXPERIENCE

APPLICATION DEVELOPER • OPERATION PAR, INC. • NOV 2015 - PRESENT

My current responsibilities include (but are not limited to):

- Writing C# scripts to interact with the company EHR
- Consuming the company EHR's web services
- Creating Internal websites and web apps using AngularJS
- Managing internal IIS hosted websites/web apps
- Creating scripts for automating data processes
- Managing Florida State data reporting and billing processes
- Writing Crystal Reports/SSRS Reports in a SQL Server/ODBC Environment

EDUCATION

BS COMPUTER SCIENCE • IN PROGRESS • MOTLOW COMMUNITY COLLEGE

- 2/4 years complete for a Bachelor's of Science in Computer Science

VOLUNTEER EXPERIENCE

- Actively contribute to open-sourced projects
- Actively engage in community issues to find a resolution
- Attend local meetups to engage in the community

About Me:

I have a personal goal to learn something new every day, and I really enjoy meeting and helping people. Making life easier for others is something I strive for, no matter the method to achieve that goal. I am always looking for an opportunity for additional experience, and I will be up-front and center when there is knowledge to be gained.
